

WOULD YOU LIKE A BESPOKE GIN FOR YOUR BUSINESS?

At Pixel Spirits Distillery we can tailor make your craft gin which can be individually branded for your business. We can develop a unique recipe according to your wishes or you can even come and make your own recipe at our Gin School!

As we offer truly small batch products - around 75 bottles (70cl) per batch - we do not require large orders and you can re-order new batches after you've used your stock!

What we offer:

- Truly unique & hand crafted products
- Bottled and labelled by hand
- Minimum order only about 75 large bottles!
- Bottles included (Nocturne 70cl)
- Corks and shrink cap seals included
- Bottling and labelling included
- Unique recipe development
- Create your own recipe at our Gin School
- Duty tax paid and duty stamps provided

Additional services with a small surcharge:

- Bottles individually numbered by hand
- Label design
- Smaller 20cl bottles available
- Wax dipped bottles

Please note that we do not offer label printing service. All label designs would need to be approved by the distillery due to legal regulations for spirit labeling.
