

WOULD YOU LIKE A BESPOKE GIN FOR YOUR BUSINESS?

PRICE GUIDES:

Using our recipes:
From £27 per bottle

Creating your own recipe:
£150 recipe development fee

All prices are subject to VAT

At Pixel Spirits Distillery we can tailor make your craft gin which can be individually branded for your business. You can either select from one of our existing recipes or we can develop a unique recipe according to your wishes!

Unlike most other companies we do not require large orders taking up your valuable space so you can order small quantities and re-order new bottles after you've sold or used your stock!

What we offer:

- Truly unique & hand crafted products
- Bottled and labelled by hand
- Minimum order only 20 bottles!
- Bottles, corks and caps included
- Bottling and labelling included
- Choose from our developed recipes
- Duty tax paid and duty stamps provided

Additional services with a small surcharge:

- Bottles individually numbered by hand
- Label design
- Unique recipe development (*min. order 70 bottles*)

Please note that we do not offer label printing service. All label designs would need to be approved by the distillery due to legal regulations for spirit labeling.
